

Pappas Telecasting Companies' 'donation' of airtime to Republican candidates sickens and offends me.

These are public airwaves and must be protected. Media Companies do not have the right to manipulate elections. Period.

Pappas uses the public airwaves free of charge and is obligated by law to serve the public interest. Pappas' actions are illegal.

Pappas actions show why we need to strengthen media ownership rules, not weaken them. Pappas should be denied license renewal.
